Through youth exchange, people gain a deeper comprehension of other societies and promote a better understanding of their own.

This object of Lions Club International,

**“To create and foster a spirit of understanding
among the people of the world.”**

Provides the foundation for the Lions Youth Exchange

It is with pleasure that MD-109 Iceland in co-operation with the organizing Lions Clubs invite young boys and girls (**18 – 20 years**) from around the world to participate in our Lions International Youth Camp 2024.

**The Camp will have one main theme:
“International Friendship and Understanding”**

Arrival and departure airport is Keflavík airport (KEF). The stay in Iceland will be two weeks in June – July.

Camp Location 2024

The Camp will take place at the **Reykjanes Peninsula**.

Reykjanesbær is the main town in this area with around 21.000 inhabitants, there are shops and various services for the region and of course the main international airport.

Members of the Lions Clubs from this area will be overseeing the Youth Camp while it is in Reykjanes and everyone is looking forward to hosting it.

In Reykjanes peninsula we have also 3 other smaller villages, Grindavík with about 3.700 inhabitants, Vogar with about 1.400 and Suðurnesjabær with about 3.800.

The Blue Lagoon is the most popular place to visit for most tourists, it is only about 20-30 minutes away. Also situated there is a big Geothermal Power Plant which provides all the electricity and hot water for the inhabitants of Reykjanes Peninsula.
