

# MD107-A Lions Youth Camp the Baltic Sea - Enjoy unique archipelago

Welcome to experience the Baltic Sea and Unique Finnish Archipelago from different angles!

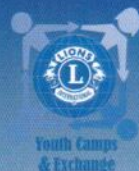

The camp program includes:

- A 3-day sailing expedition with a beautiful old schooner where you'll have a chance to learn sailing, navigation as well as some fishing and other archipelago activities.
- The camp itself takes place on the seafront and close to a beautiful hiking trail. That part is with indoors accommodation and lots of activities like cooking, hiking, golf or Frisbee golf, picking berries, swim in natural waters and of course bathe in a Finnish Sauna.

Come and get unforgettable memories and new friends around the world!
